# presetPalette II ™
Single-scene/two-scene is still the best starting point for a lighting control education, but these preset boards are a far cry from the one your daddy learned on!

With 32/64 or 48/96 single/two-scene operation, presetPalette hasn't even broken a sweat!

When students are familiar with preset operation, there is literally no limit to what they can learn from the power and intelligence of PaletteOS.

# Features

- PaletteOS Windows XP Embedded operating system
- High-resolution Graphical User Interface with Mouse
- Up to 2000 cues per show
- Hard disk cue storage
- USB Key Library storage
- Strand ShowNet standard on all systems with over 18,000 DMX outputs

## PHILIPS

## Introduction

Strand's new Palette consoles build on the most successful lighting control operating system to bring you PaletteOS™, a high-resolution point/click graphic environment to unleash your creativity and speed up workflow. PaletteOS harnesses the power of Windows Embedded XP to create a powerful windows off line editor.
Preset Palette is powerful with 100 control channels and amazing automatic focus group controls that will slash your programming time. Palette has a powerful web browser that lets you configure and monitor your network and interact directly with Strand's award-winning C21 dimming systems. Right there on the console screen.
And Palette is an elegant and highly functional lighting console, leveraging industry-standard technologies to make it robust and future-safe.

Palette's brain is a rugged industrial PC that could be swapped in seconds if you every needed to. Which you wouldn't. Probably.

Palette has a generous 40GB hard drive, or you can save your shows anywhere on the network. You even get a shiny new USB key for show storage over sneaker net.

# Ordering Information

**Cat No      Description**

| | |
|---|---|
| 92801 | Palette II  32/64 Manual Console* |
| 92802 | Palette II 48/96 Manual Console* |

*Includes Palette keyboard, mouse, dust cover, USB key, power cord and printed manual.  Does not include monitor.*

## Peripheral Equipment

### Software

| | |
|---|---|
| 67501 | 128 Channel Upgrade |
| 67502 | 512 Channel Upgrade |
| 67525 | Designers Software on USB Key Drive |

### Cables

| | |
|---|---|
| 95090 | DMX-512 Control Cable 25' (A5F to A5M) |
| 96456 | Ethernet cable 10' 10/100BaseT (RJ-45) |
| 96459 | Ethernet cable 25' 10/100BaseT (RJ-45) |

## Accessories

| | |
|---|---|
| 67533 | USB Video for dual video option |
| 66216 | Palette Keyboard (additional) |
| 67528 | USB Key Drive (additional) |
| 95207 | 19-inch Flat Panel Monitor |
| 95712 | 17-inch Touch Screen Flat Panel monitor |

## Pocket Palette Wireless Kits

| | |
|---|---|
| 66149 | Pocket Palette Networked Kit (includes remote, controller switch, and (2) access ports |
| 66150 | Pocket Palette Standalone Kit (includes remote and wireless access point) |

# Technical Specifications

| | |
|---|---|
| Supply Voltage | Universal power supply 90-240V |
| Approvals | ETL listed and CE marked |

### Mechanical Data

| | |
|---|---|
| Construction | Galvanized sheet steel and aluminum extrusion Flame retardant ABS controls |
| Operating Temperature | 0° to 40°C ambient (32° to 104°F) |
| Humidity | 5% - 95% non-condensing |
| Storage Temperature | -40° to 70°C (-40° to 158°F) |
| Weight | 91801 32/64 Console  38 lbs |
| | 91802 48/96 Console  46 lbs |
| Dimensions (LxWxH) | 91801 32/64 Console 17.8 x 39 x 4.5″ |
| | 91802 48/96 Console  17.8 x 52.7 x 4.5″ |

### Connectivity

| | |
