

# Product Specification Sheet

## Acclaim Fresnel White

**Selecon's most popular Fresnel - available with a white exterior high heat coating and interior black finish.**

This option is very much in demand for churches, hotels and meeting rooms and other such venues where the traditional black finish is inappropriate.

### Features

110mm diameter lens.

Up to 40% more light output than comparative Fresnel luminaires.

A wide range of beam angles from 6° -60°.

Adjustable yoke balance point.

'Swing-down' door for easy access to lamp or cleaning. Isolates the mains supply when opened.

Captive lamp/ reflector focus system moves on brass bearing provides smooth focus movement.

Rear grab-handle, doubles as handy cable storage.

### Lamps: 220V -240V

**500W T/25,T/18**  
11,000 lumens 400hrs average life

**650W T/26,T/27**  
14,500 lumens 600hrs average life

### Lamps: 230V -240V

**300W M/38**  
5,200 lumens 2000 hrs average life

**300W M/40**  
10,000 lumens 2000hrs average life
